In 2000 **CARLA COULSON** left her corporate job and glamorous Sydney life behind in pursuit of a dream to start a new life for herself in Europe as a photographer. In her first book, Italian Joy, she describes the joys and hardships of her first five years, spent living in Florence. In 2004, Carla moved to Paris with her partner, Francesco, and in 2008 she published Paris Tango, a tribute to her new home. Carla has a popular blog, Carlalovesphotography, and her photography has been published in Marie Claire, Australian Gourmet Traveller, Collezione, Vogue Entertaining + Travel and Flair, among others. **NAPLES A WAY OF LOVE** Naples: City of Blood, City of Miracles. City of Contradictions and Secrets, Luck and Superstition, Danger and Incredible Kindness. Photographer Carla Coulson and writer Lisa Clifford know this dazzling, magical city intimately: in this book they take you on a journey through the Naples most tourists never see. Walk with them down hidden cobblestoned alleyways lit by shrines to the saints and into ancient crypts filled with skulls; taste the myriad sweets and pastries for which the city is famous, and learn the art of arrangiarsi – all fuelled by pizza, the city's signature dish, and coffee, always coffee.
