LUKE NGUYEN has long been considered Australia's master of Vietnamese cuisine. In *The Food of Vietnam* Nguyen has created his opus; a comprehensive, beautifully illustrated, endearing, compassionate and thoroughly researched ode to the food of his homeland.

Boasting over 350 pages of lavishly illustrated recipes, divided by region, *The Food of Vietnam* is part cookbook, part love letter to the people, the flavours and the culture of Vietnam.

In **THE FOOD OF VIETNAM** Luke traverses the length of his homeland — from Saigon to Sapa — in this comprehensive guide to Vietnamese cuisine. From the authentic street food of the country's busiest cities to the simple seafood dishes of the coast, *The Food of Vietnam* is a journey to the heart of a rich and diverse culture.

LUKE NGUYEN is the chef and owner of the award-winning Red Lantern restaurants in Sydney Australia, and is the author of four bestselling cookbooks. His television work includes Luke Nguyen's Vietnam and Luke Nguyen's Greater Mekong, and he appears as the host on MasterChef Vietnam.
